only. Service Providers who wish to submit a proposal for both catchment areas shall submit two separate quotations.

3 Eligibility of Service Provider

3.1 It is an essential requirement that a Service Provider **MUST** have the legal capacity to enter into contract and must be a Tax-Exempt Organisation; failing which will render a Service Provider to be invalid and not to be considered further.

3.2 **Failure to comply with the essential requirement mentioned in Clause 3.1 above, will invalidate the quotation and the quotation shall not be further considered.**

4 Quotation Preparation

4.1 A quotation and all accompanying documents shall be completed in English and in ink or typescript. A quotation not so completed will not be further considered.

- 4.3 The quotation shall be submitted in **DUPLICATE** in the manner described in Clause 5 below. A quotation not so submitted (e.g. a quotation submitted by email or facsimile) will not be considered.
- 4.4 It is an essential requirement that a Service Provider **MUST** submit in its quotation a set of Contract Schedules 1 to 6, a duly signed Part 5 – Offer to be Bound, and Annex B – Non-Collusive Quotation Certificate. **Failure to comply with such essential requirement will invalidate the quotation and the quotation shall not be further considered.**
- 4.5 Save in accordance with the terms of the Quotation Documents, a Service Provider shall not alter any provision of the Quotation Documents or submit any proposal that has the effect of varying or modifying any provision of the Quotation Documents. Otherwise, its quotation will not be further considered.
- 4.6 All quotations submitted to the Corporation, whether accepted or not, will not be returned to the Service Provider.

5 Quotation Closing Date

- 5.1 The quotation shall be enclosed in a sealed plain envelope marked **“Quotation for the Provision of Counselling and Treatment Services for Gamblers with Gambling Disorder for the Ping Wo Fund – Hong Kong Island”** or **“Quotation for the Provision of Counselling and Treatment Services for Gamblers with Gambling Disorder for the Ping Wo Fund – Kowloon West and New Territories West”** (as the case may be) and submitted to the **Quotation Box of Home Affairs Bureau situated at 2/F Entrance, East Wing, Central Government Offices, 2 Tim Mei Avenue, Tamar, Hong Kong no later than 2:30 p.m. on 9 September 2021 (Thursday)**. **Late quotations will not be accepted.**
- 5.2 In case a black rainstorm warning signal or a tropical cyclone signal no. 8 or above is hoisted between 9:00 a.m. and 2:30 p.m. on the Closing Date, the Closing Date will be extended to 2:30 p.m. on the next Working Day, except Saturday, Sunday and public holiday.

6 Communication with the Corporation

- 6.1 Unless otherwise stated in the Quotation Documents, all communications given or made by the Corporation or a Service Provider in relation to the Invitation to Quotation shall be in writing and sent or delivered to the other party in the manner provided in Clause 24 of the Conditions of Contract, save that the Corporation may, by prior notice to a Service Provider, require the Service Provider to send or deliver a written communication by post or facsimile only. A Service Provider should note that the Corporation will not accept the use of a postal box as the Service Provider’s correspondence address for any purpose whether before or after

the award of the Contract.

- 6.2 All communications in relation to the Invitation to Quotation shall be conducted directly between the Corporation and the Service Provider irrespective of the number of sub-contractors involved.

7 Validity Period

- 7.1 A quotation once submitted by a Service Provider will be binding on the Service Provider, and the quotation shall remain valid and open for acceptance for a period of at least nine (9) months from the Closing Date.
- 7.2 If a Service Provider offers in its quotation a period that is shorter than the Validity Period or if it rejects the Validity Period, its quotation will not be further considered.

8 Quotation Addenda

- 8.1 The Corporation may issue addendum to the terms and conditions set out in the Quotation Documents before the Closing Date which will be posted on the Ping Wo Fund website at www.donotgamble.org.hk. Service Providers are advised to check the said website from time to time for any issue of addendum and the contents thereof.

9 Cancellation of Quotation Exercise

- 9.1 Without prejudice to the Corporation's right to cancel this Invitation to Quotation at its absolute discretion or for public interest reasons, where there are changes of requirement after the Closing Date for operational or whatever reasons, the Corporation is not bound to accept any conforming quotation and reserves the right to cancel this Invitation to Quotation.
- 9.2 Upon cancellation of the Invitation to Quotation, the Corporation Representative reserves the right to re-issue the Invitation to Quotation (on such terms and conditions as it considers fit), or directly appoint another service provider or operator to take up the Services (through whatsoever and howsoever means).

10 Method of Assessing Quotations

- 10.1 All quotations that are submitted before the Closing Date will be checked by the Corporation Representative for compliance with the essential requirements including those stipulated in Clauses 3.1 and 4.4 above. Only those quotations that comply with all the essential requirements under the Quotation Documents will be further assessed on the assessment criteria set out in **Annex A**.

- 10.2 An assessment panel comprising the Chairman and Members of the Ping Wo Fund Advisory Committee (“Assessment Panel”) will be formed to assess the quotations. **Service Providers whose quotations comply with all the essential requirements under the Quotation Documents will be invited to present their proposals before the Assessment Panel, which may be arranged right after the Closing Date at short notice, tentatively in around mid-September 2021.**

11 Authenticity of Documents Submitted

- 11.1 All documents submitted by a Service Provider to the Corporation in relation to its quotation shall be original documents or certified true copies of the original documents. If a Service Provider fails to comply with this requirement or fails to provide such verification as the Corporation may require to prove the authenticity of a document submitted to the Corporation, the Corporation may not consider the quotation further.

12 Service Provider’s Commitment

- 12.1 All quotations, information and responses from a Service Provider must be submitted in writing. Each of them is the offer, commitment and representation of the Service Provider and will, if accepted by the Corporation, be incorporated into and made part of the Contract in such manner as the Corporation considers appropriate.
- 12.2 The Corporation reserves the right not to consider a quotation that directly or indirectly attempts to preclude or limit the effect of the requirement stated in Clause 12.1 above.

13 New Information

- 13.1 A Service Provider shall inform the Corporation in writing immediately of any factor which might affect its ability to meet any requirements of the Quotation Documents. The Corporation reserves the right not to consider a Service Provider’s quotation further if the Service Provider’s continued ability to meet such requirements is in doubt.

14 Personal Data Provided

- 14.1 All personal data provided in a quotation will be used by the Corporation for the purposes of the Invitation to Quotation and all other purposes arising from or incidental to it (including for the purposes of quotation evaluation, the award of the Contract and resolution of any dispute arising from the Invitation to Quotation, and the disclosure pursuant to Clause 22 of the Terms of Quotation).

- 14.2 By submitting a quotation, a Service Provider is regarded to have agreed to, and to have obtained from each individual whose personal data is provided in the quotation, his consent for the disclosure, use and further disclosure by the Corporation of the personal data for the purposes set out in Clause 14.1 above, or the disclosure pursuant to Clause 22 of the Terms of Quotation.
- 14.3 An individual to whom personal data belongs and a person authorised by him in writing has the right of access and correction with respect to the individual's personal data as provided for in sections 18 and 22 of and Principle 6 of Schedule 1 to the Personal Data (Privacy) Ordinance (Cap. 486). The right of access includes the right to obtain a copy of the individual's personal data provided in the quotation.
- 14.4 Enquiries concerning the personal data collected by means of the Invitation to Quotation, including the making of access and corrections, shall be addressed to the Corporation or the Personal Data Privacy Officer of HAB.

15 Operators' Performance Monitoring

- 15.1 If a Service Provider is awarded the Contract, its subsequent performance will be monitored and may be taken into account when its future offers for other quotation/tender exercises are evaluated.

16 Cost of Quotation

- 16.1 A Service Provider shall submit its quotation at its own cost and expense. The Corporation shall not be liable for any costs and expenses whatsoever incurred by a Service Provider in connection with the preparation or submission of its quotation, including all costs and expenses relating to (a) communication or negotiations with or providing presentation(s) or demonstration(s) to the Corporation, the Corporation Representative and/or the Assessment Panel, (b) site visits or surveys made by the Service Provider, and (c) presenting the Service Provider's reference sites and equipment to the Corporation Representative during the site visits, whether before or after the Closing Date.

17 Request for Information

- 17.1 In the event that the Corporation determines that:
- (a) clarification in relation to any part of the quotation is necessary; or
 - (b) a document or a piece of information, other than the document or information set out in Clause 17.2 below, is missing from any quotation,

it may, but is not obliged to, request the Service Provider concerned to make the necessary clarification, or submit the required document or information. Each Service Provider shall thereafter within five (5) Working Days or such other period as specified in the request submit such clarification, information or document in the form required by the Corporation. A quotation will not be considered further if complete information or document is not provided as required by the deadline as specified in the request, or in the case of clarification, such clarification is not provided by such deadline or is not acceptable to the Corporation. As an alternative to seeking clarification or further information or document, the Corporation may not consider the quotation further or may proceed to evaluate the quotation on an “as is” basis.

17.2 The document and information not covered by Clause 17.1 above are:

- (a) a signed Offer to be Bound; and
- (b) any other document or information in respect of which it is specified in the Quotation Documents that a failure to provide to the Corporation in a quotation at the time of submission of the quotation or by the Closing Date will result in the quotation not being considered.

17.3 The Corporation will not consider any clarification or information submitted by a Service Provider after the Closing Date (irrespective of whether or not the clarification or information is submitted at the invitation of the Corporation) if the Corporation considers that such clarification or information would alter the Service Provider’s quotation in substance or give the Service Provider an advantage over the other Service Providers.

18 Negotiations

18.1 The Corporation reserves the right to negotiate with any Service Provider in relation to the Service Provider’s quotation and/or the Contract.

19 Award of Contract

19.1 Subject to the other provisions of the Quotation Documents, the Corporation will normally award the Contract to the Service Provider which the Corporation has determined to be capable of fulfilling the terms of the Contract and whose quotation conforms with all the essential requirements stipulated in the Quotation Documents and has the highest marks.

19.2 Each Service Provider acknowledges that the Corporation may elect at its sole option to accept all or any part of the Service Provider’s quotation.

- 19.3 The Corporation is not bound to accept the quotation with the highest marks or any quotation and reserves the right to accept all or any part of any quotation at any time within the Validity Period.

20 Acceptance

- 20.1 A quotation shall not be regarded to have been accepted by the Corporation unless the Corporation issues to the successful Service Provider an acceptance in writing ("Quotation Acceptance") and send it by either post or facsimile transmission to the successful Service Provider's address or facsimile number (as the case may be) specified in Item I of Contract Schedule 1. A binding Contract between the Corporation and the successful Service Provider is only constituted:

- (a) if the Quotation Acceptance is sent by post, at the time of posting; or
- (b) if the Quotation Acceptance is transmitted by facsimile, at the time when a transmission report is generated by the Corporation's facsimile machine, confirming that the Quotation Acceptance has been transmitted to the aforementioned facsimile number.

- 20.2 A duplicate hard copy of the Contract will subsequently be delivered to the successful Service Provider evidencing the earlier Quotation Acceptance by post or facsimile transmission (as the case may be).

- 20.3 Service Providers who do not receive any notification within the Validity Period shall assume that their quotations have not been accepted.

21 Documents of Unsuccessful Service Providers

- 21.1 The Corporation may destroy all documents submitted by unsuccessful Service Providers three (3) months after the Contract has been constituted under Clause 20.1 above.

22 Consent to Disclosure

- 22.1 The Corporation may disclose, whenever it considers appropriate, to the public or upon request by any member of the public (which may have been a Service Provider) without any further reference to or consent from the successful Service Provider or any other Service Provider, particulars of the Services to be provided by the successful Service Provider, the date of the award, the name and address of the successful Service Provider and the total estimated fee of the Services and any other fees, cost and expense payable to the successful Service Provider pursuant to the Contract.

22.2 Nothing in Clause 22.1 above shall prejudice the Corporation's power to disclose whenever it considers appropriate information of any nature whatsoever in relation to or concerning any Service Provider (successful or unsuccessful) or its quotation (whether or not the information is specified in Clause 22.1) if the disclosure is made under any one of the following circumstances:

- (a) the disclosure of any information to any public officer or public body, as defined in the Interpretation and General Clauses Ordinance (Cap. 1) or any other person employed, used or engaged by the Corporation (including agents, advisers, contractors and consultants);
- (b) the disclosure of any information already known to the recipient;
- (c) the disclosure of any information which is public knowledge;
- (d) the disclosure of any information in circumstances where such disclosure is required pursuant to any law of Hong Kong, or an order of a court of Hong Kong or a court or tribunal with competent jurisdiction;
- (e) the disclosure of any information regarding anti-competitive collusive conduct to the Competition Commission of Hong Kong (and other authorities as relevant); or
- (f) without prejudice to the power of the Corporation under Clause 22.1 above, to the extent the information relates to a Service Provider, with the prior written consent of that Service Provider.

23 Warranty against Collusion

23.1 The Service Provider must ensure that the quotation is prepared without any agreement, arrangement, communication, understanding, promise or undertaking with any other person (except as provided in paragraph 3 of the Non-collusive Quotation Certificate referred to in paragraph 23.2 below), regarding, amongst other things, price, quotation submission procedure or any terms of the quotation. Bid-rigging is inherently anti-competitive and is considered serious anti-competitive conduct under the Competition Ordinance (Chapter 619 of the Laws of Hong Kong). Service Providers who engage in bid-rigging conduct may be liable for the imposition of pecuniary penalties and other sanctions under the Competition Ordinance.

23.2 The Service Provider shall complete and submit to the Government a Non-collusive Quotation Certificate (in the form set out in **Annex B**) as part of its quotation.

23.3 In the event that a Service Provider is in breach of any of the representations, warranties and/or undertakings in paragraph 23.1 above or in Non-collusive Quotation Certificate submitted by it under paragraph 23.2 above, the Government shall be entitled to, without compensation to any person or liability on the part of the Government:

- (a) reject the Service Provider's quotation;
- (b) if the Government has accepted the quotation, withdraw its acceptance of the Service Provider's quotation; and
- (c) if the Government has entered into the Contract with the Service Provider, terminate the Contract under Clause 10 of the Conditions of Contract.

23.4 By submitting a quotation, a Service Provider is regarded to have undertaken to indemnify and keep indemnified the Government against all losses, damages, costs or expenses arising out of or in relation to any breach of any of the representations, warranties and/or undertakings in paragraph 23.1 above or in Non-collusive Quotation Certificate submitted by it under paragraph 23.2 above.

23.5 A breach by a Service Provider of any of the representations, warranties and/or undertakings in paragraph 23.1 above or in Non-collusive Quotation Certificate submitted by it under paragraph 23.2 above may prejudice its future standing as a Government contractor or service provider.

23.6 The rights of the Government under paragraphs 23.3 to 23.5 above are in addition to and without prejudice to any other rights or remedies available to it against the Service Provider.

24 Warning against Bribery

24.1 The offer of an advantage to any public servant with a view to influencing the award of the Contract is an offence under the Prevention of Bribery Ordinance (Cap. 201). Any such offence committed by a Service Provider or any of its officers (including directors), employees or agents will render its quotation null and void.

24.2 The successful Service Provider shall inform its officers, employees (whether permanent or temporary), agents and sub-contractors who are connected with the provision of the Services that the soliciting or accepting of advantages, as defined in the Prevention of Bribery Ordinance (Cap. 201) is not permitted. The successful Service Provider shall also caution its officers (including directors), employees and agents and sub-contractors against soliciting or accepting any excessive hospitality, entertainment or inducement which may impair their impartiality in relation to the selection of its sub-contractors, if any, or the supervision of the

work of the sub-contractors once selected.

25 Corporation's Discretion

25.1 Notwithstanding anything to the contrary in these Quotation Documents, the Corporation reserves the right to disqualify a Service Provider on grounds including any one of the following:

- (a) a petition is presented or a proceeding is commenced which has not been withdrawn as at the Closing Date or an order is made or a resolution is passed for the winding up or bankruptcy of the Service Provider;
- (b) the Service Provider has made or submitted a false, inaccurate or incomplete statement or representation or a forged document in the quotation or in any subsequent submission by the Service Provider or communication between the Corporation and the Service Provider since submission of that quotation;
- (c) in the event of a claim alleging or the Corporation having grounds to believe that any thing(s), service(s) or material(s) to be supplied or recommended by the Service Provider in its quotation infringe or will infringe any Intellectual Property Rights of any person;
- (d) the Service Provider has made significant or persistent breaches or deficiencies in performance of any substantive requirement or obligation under any contracts with the Corporation or other contracts;
- (e) the Service Provider has been convicted by the final judgement in respect of serious crimes or other serious offences;
- (f) in the event of the professional misconduct or acts or omissions that adversely reflect on the integrity of the Service Provider; or
- (g) the Service Provider has made any restrictions or limitations which seek to limit or avoid the responsibility of the Service Provider in contract, tort or otherwise for failing to exercise the skill and care required by the Contract, or reasonably expected of the Service Provider or the Operator under the Contract in the quotation or in any subsequent submission by the Service Provider or communication between the Corporation and the Service Provider since submission of the quotation.

The grounds specified in Clauses 25.1(a) to 25.1(g) above are separate and independent, and shall not be limited by reference to or inference from the other of them.

25.2 For the purposes of Clause 25.1 above, each Service Provider shall provide at the time of submission of its quotation (and thereafter up to the time of award in relation to any event occurring between the time of submission and the time of award) all information at least in relation to itself that is reasonably relevant to facilitate the Corporation's determination as to whether to exercise its right of disqualification, including but not limited to the following:

- (a) details of any petition or proceeding mentioned in Clause 25.1(a);
- (b) details of conviction of the Service Provider in Hong Kong or any overseas jurisdictions in respect of (i) serious offences; and (ii) other offences involving bribery, false accounting, corruption, dishonesty or employment handed down any time during a period of five (5) years preceding the Closing Date and thereafter up to the time of award;
- (c) details of all infringement claims as mentioned in Clause 25.1(c); and

- (ii) If the Operator fails to effect or maintain any policy or policies of insurance required under the terms of the Contract, the Corporation may take such alternative arrangements as it considers appropriate to protect its interests, including the effecting and maintaining of any policy or policies of insurance and the payment of such premium or premiums, and may recover from the Operator the costs of taking and maintaining such arrangements.
 - (iii) The Operator shall be responsible for lodging claims with the insurance company and shall notify the insurance company within the time period specified in the policy or policies of the occurrence of any event liable to give rise to a claim. In the event of any person in the employment of the Operator or other persons in connection with the Contract suffering any death or personal injury and whether there be a claim for compensation or not, the Operator shall without delay give notice in writing of such death or personal injury to the Corporation Representative.
- (b) For the avoidance of doubt, members of the Service Team even when acting under the direction of the Corporation Representative shall be deemed under the control and thereby remaining as employees of the Operator.
 - (c) No provision in any insurance policy and no amount of insurance covered shall relieve the Operator of any liability under the Contract. It is the responsibility of the Operator to determine the amount of insurance cover that will be adequate to enable the Operator to satisfy any liability under the Contract.

10. Termination and Effects of Termination or Expiry

- (a) Without prejudice to any rights and claims of the Corporation under the Contract or otherwise at law, the Corporation may by written notice to the Operator terminate the Contract immediately if:

 - (v) the Operator is persistently in breach of any provision of the Contract (whether the persistent breaches relate to the same provision or different provisions);
 - (vi) the Operator is in breach of any of the warranties, undertakings or representations made or deemed to have been made by the Operator to the Corporation in the Contract or in its quotation for the Contract or otherwise from time to time during the Contract Period;
 - (vii) the Operator, any officer (including director), employee, agent or sub-contractor of the Operator commits an offence under the Prevention of Bribery Ordinance (Cap. 201) or any subsidiary legislation made thereunder or any law of a similar nature in relation to the Contract or any other contract made by the Operator with the Corporation;
 - (viii) the Operator becomes bankrupt or goes into liquidation or a petition has been filed for the bankruptcy or the winding up of the Operator otherwise than for the purpose of a solvent reconstruction or amalgamation previously approved by the Corporation Representative in writing or the Operator has become insolvent or

made any composition or arrangement with its creditors;

- (ix) the Operator abandons the Contract in part or in whole, or the Operator suspends or ceases, or threatens to suspend or cease, to carry on all or a substantial part of its business;
 - (x) the Operator assigns or transfers or purports to assign or transfer all or any part of the Contract or all or any of its rights or obligations thereunder without the prior written consent of the Corporation;
 - (xi) the Operator has made a material misrepresentation (including submission of any incomplete, inaccurate, false or incorrect statement, information or document) during the quotation process of the Contract or otherwise from time to time during the Contract Period;
 - (xii) the Operator is found to have employed illegal workers in the performance of the Contract;
 - (xiii) any event or circumstance occurs which enables the Corporation to terminate the Contract under any one of the following provisions of the Contract:
 - (I) Clause 16(b) (Force Majeure); or
 - (II) Paragraph 23.3(c) of the Terms of Quotation (Warranty against Collusion);
 - (xiv) the Corporation reasonably apprehends that any of the events mentioned above is about to occur.
- (b) Notwithstanding anything herein to the contrary, the Corporation may at any time during the Contract Period suspend or terminate the Contract by giving the Operator one (1) month's prior written notice.

- (i) neither any accrued rights or liabilities of either party, nor the coming into force or the continuance in force of any provision of the Contract which is expressly or by implication intended to come into or continue in force on or after such termination or expiry, shall be affected;
 - (ii) subject to any rights and remedies which the Corporation may have under the Contract or otherwise (including any right of set off or counterclaim), the

Corporation shall only pay to the Operator such portion of the Service Fee for such part of the Services actually performed by the Operator in strict accordance with the Contract and to the satisfaction of the Corporation (if not paid already);

- (iii) other than any payment under Clause 10(c)(ii) above, the Corporation shall have no obligation to pay to the Operator any money whatsoever and is under no further obligation to the Operator under the Contract without thereby releasing the Operator from any of its liabilities under the Contract, or affecting any rights and powers conferred upon the Corporation by the Contract;
- (iv) the Corporation shall not be responsible for any claim, legal proceeding, liability, loss (including any direct or indirect loss, any loss of revenue, profit, business, contract or anticipated saving), damage (including any direct, special, indirect or consequential damage of whatsoever nature) or any cost or expense, suffered or incurred by the Operator due to the termination or expiry of the Contract;
- (v) in the case of termination, the Operator shall be liable for all costs and expenses actually incurred by the Corporation arising from or in the termination of the Contract; and
- (vi) in the case of termination, the Corporation may, without prejudice to any accrued rights and claims of Corporation, make other arrangements for the performance or provision of any Services from any other source, including the assignment of the uncompleted Services to other operator(s) or undertake the Services itself. Whereupon in the case of termination pursuant to Clause 10(a) above, the Operator shall be liable to the Corporation for (1) the service fee incurred by the Corporation in engaging such other operator(s) to perform or provide the uncompleted Services and all costs and expenses incurred in making the arrangements for the same including conducting quotation for the uncompleted Services; or (2) the costs and expenses incurred by the Corporation for undertaking such Services (as the case may be), in excess of the Service Fee which would have been payable to the Operator had the Contract not been terminated as liquidated damages and not as a penalty. If the Contract is so terminated, until the Corporation has established the final cost of making other arrangements contemplated under this Clause, no further payments shall be payable by the Corporation to the Operator for the Services provided by the Operator prior to termination and in accordance with the Contract for which payment has yet to be made by the Corporation;

- (vii) the Operator and each member of the Service Team shall immediately return to the Corporation all property of the Corporation and all documents containing Confidential Information, personal data and such other information, property and materials in the possession or under the control of the Operator or any of its sub-contractors and agents, which was obtained or produced in the course of providing the Services;
 - (viii) the Operator and each member of the Service Team shall certify to the Corporation that after the return of the property and documents pursuant to Clause 10(c)(vii) above, no property or documents or any copy or duplicate thereof is in the Operator or any member of the Service Team's possession or control;

 - (xi) the Operator shall promptly provide all information concerning the provision of the Services which may reasonably be requested by the Corporation for the purposes of adequately understanding the manner in which the Services have been provided or the purpose of allowing the Corporation or a replacement operator to conduct due diligence.
- (d) Save as otherwise expressly provided for in the Contract, no compensation whatsoever (including compensation for any loss or expense arising from any consequential loss or damage, or loss of opportunity, suffered or incurred by the Operator) shall be payable by the Corporation to the Operator as a result of any suspension or termination of the Contract by the Corporation.

- (c) The Operator shall obtain from each member of the Service Team a binding undertaking to observe Clause 11(a) above.
- (d) The Operator shall ensure that each member of the Service Team shall inform the Operator and keep it informed regularly of all facts within their knowledge which may reasonably be considered to give rise to a situation where the financial, professional, commercial, personal or other interests of such persons, conflict or compete, or may conflict or compete, or may be seen to conflict or compete with the Operator's duties to the Corporation under the Contract.

13. Ombudsman/Auditor Investigations and Recommendations

- (a) Without prejudice to the Operator's liability to indemnify the Corporation under the Contract, in the event that the Ombudsman or the Corporation's internal and/or external auditors identify any unlawful practices or procedures being undertaken by the Operator in its performance of the Services or where any practice or procedure undertaken by the Operator has resulted in a finding of maladministration on the part of the Corporation, the Operator shall forthwith upon written notice from the Corporation Representative cease to operate the practice or procedure specified therein and shall amend the practice or procedure to the satisfaction of the Corporation Representative.
- (b) In the event where the Ombudsman or the Corporation's internal and/or external auditors make recommendations for the amendment and/or improvement of any of the practices or procedures undertaken by the Operator in its performance of the Services, the Operator shall amend the practice or procedure to give effect to the recommendations made.

14. Publicity

- (b) Subject to Clause 14(a) above, the Operator shall submit to the Corporation Representative for approval all the proposed advertising or other publicity material relating to the Contract, the Services or the products, other services or equipment provided or supplied or other work done in connection with the Contract wherein the Corporation's name is mentioned or language used from which a connection with the Corporation can reasonably be inferred or implied. The Operator shall not publish or use any advertising or other publicity material without the prior written consent of the

Corporation Representative.

- (c) Notwithstanding any consent or approval given under Clause 14(a) or 14(b) above, whenever required by the Corporation, the Operator shall remove all advertisement and publicity material relating to the Contract wherein the Corporation is mentioned or language used from which a connection with the Corporation can reasonably be inferred or implied and the Operator must comply with such request.

15. Intellectual Property Rights

- (a) All the Materials and all the Intellectual Property Rights therein shall vest in and belong to the Corporation at the time they are created.

- (c) The Operator shall not use or allow to be used directly or indirectly the Materials except for the performance of its obligations under the Contract or except with the prior written approval of the Corporation. "Use" includes any acts restricted by copyright (including reproduction) set out in sections 22 to 29 of the Copyright Ordinance (Cap. 528).
- (d) If materials from other copyright works or Intellectual Property Rights from other sources (except those originating from the Corporation) are included in the Materials or any software and materials are supplied or used by the Operator in the performance of the Contract and the Intellectual Property Rights are vested in a third party, the Operator shall identify such materials to the Corporation and keep the Corporation informed in writing of such third party materials.
- (e) The Operator hereby waives and undertakes to procure its officers, employees, sub-contractors, agents and all other persons who are involved in the production of Materials to waive all moral rights (whether past, present or future) in respect of the Materials to which they may now or at any time in the future be entitled under the Copyright Ordinance (Cap. 528) and under any similar law in force from time to time anywhere in the world. Such waiver shall operate in favour of the Corporation, its authorised users and licensees and shall take effect upon delivery of the relevant

Materials.

- (f) In the event of the expiry or termination of the Contract, the Operator shall at its own cost and expense promptly deliver to the Corporation all the Materials then in the Operator's custody, control or possession.
- (g) The Operator warrants to the Corporation that:
 - (i) the Materials shall be original works created, developed or made by or on behalf of the Operator for the Corporation during the course of or in connection with the Contract;

 - (iii) prior to the use and incorporation of such third party materials, the Operator shall have obtained the grant of all necessary clearances for itself and for the Corporation and its authorised users authorising the use of such third party materials for the purposes contemplated under the Contract;
 - (iv) the provision of the Services by the Operator and the use or possession by the Corporation and its authorised users of the Materials including the third party materials for any of the purposes contemplated by the Contract does not and will not infringe any Intellectual Property Rights of any person; and
 - (v) the exercise of any of the rights granted under the Contract by the Corporation and its authorised users will not infringe any Intellectual Property Rights of any person.
- (h) The Operator shall, free of charge to the Corporation, do all such things and sign all documents or instruments reasonably necessary in the opinion of the Corporation to enable the Corporation to obtain, defend or enforce its rights in the Materials.
- (i) Without prejudice to any other provision of the Contract, the Operator shall indemnify and keep the Corporation and authorised users fully and effectively indemnified against any and all actions, damages, costs, claims, demands, losses, expenses (including the fees and disbursements of lawyers, agents and expert witnesses) and any awards and costs which may be agreed to be paid in settlement of any proceedings and liabilities of

any nature which may be sustained or incurred by the Corporation and its authorised users as a result of any allegation of or claim for infringement of the Intellectual Property Rights or innominate rights of any person arising from or in any way related to the Operator's performance of the Services, the use or possession of the Materials by the Corporation and its authorised users and/or the exercise by the Corporation and its authorised users of any rights granted under the Contract.

- (j) The Operator shall at its own cost and expense execute or procure the execution of any further assignments, deeds, licence, documents and instruments and do or procure the doing of any further things as may be necessary to give full effect to this Clause 15.
- (k) The provisions of this Clause 15 shall survive the expiry or termination of the Contract and shall continue in full force and effect notwithstanding such expiry or termination.

16. Force Majeure

- (a) In the event of Force Majeure, the party so prevented shall be excused from the performance of the obligations under the Contract for so long as such event shall continue. The party so prevented shall give notice in writing to the other party as soon as possible of the occurrence of the event of Force Majeure.
- (b) Should the performance by the Operator of its obligations hereunder be prevented by Force Majeure for a period of not less than fourteen (14) consecutive days, the Corporation shall be entitled at the expiration of such period to terminate the Contract by not less than fourteen (14) days' notice in writing to the Operator.
- (c) In the event that the Contract is terminated pursuant to Clause 16(b) above, the Operator shall be entitled to receive payment for the Services rendered to the Corporation up to the date of termination.
- (d) Subject to the provision in Clauses 16(b) and 16(c) above, in the event that performance of obligations under the Contract is delayed by Force Majeure, the parties shall diligently endeavour to achieve expeditiously the normal pursuit of the Contract after the event of Force Majeure and to regain the time lost. The Contract Period shall be extended by the number of days of delay that have been caused whether directly or indirectly by such event of Force Majeure unless a different extension shall be agreed between the parties. In all other respects, the obligations of the parties hereunder shall be unaffected.
- (e) For the purpose of this Clause 16, "Force Majeure" means:

- (i) any supervening outbreak of war affecting Hong Kong and/or any other part of the PRC, hostilities (whether war be declared or not), invasion, acts of foreign enemies, rebellion, revolution, military or usurped power, overthrow (whether by external or internal means) of the Government and/or the government of the PRC, civil war, riot, civil disturbances, supervening epidemic outbreak in Hong Kong and/or any other part of the PRC, fire if not caused or contributed to by the Operator, its related persons (as defined in Clauses 25.6 and 25.7 of the Terms of Quotation) or any employee or agent or ex-employee or ex-agent thereof, civil commotion and acts of God; or
- (ii) any supervening catastrophic event which is similar to the foregoing, if not caused or contributed to by the Operator, its related persons (as defined in Clauses 25.6 and 25.7 of the Terms of Quotation) or any employee or agent or ex-employee or ex-agent thereof,

and which, in either Clause 16(e)(i) or 16(e)(ii) above, prevents the performance of the Operator's duties and obligations hereunder; for the avoidance of doubt, any change of law and regulation of whichever jurisdiction shall not be treated as a Force Majeure event.

17. Confidentiality and Protection of Personal Data

- (a) The Operator shall treat as proprietary and confidential the terms and conditions of the Contract, all information, documents, materials and data (including any personal particulars records and personal data (as defined in the Personal Data (Privacy) Ordinance (Cap. 486)), in whatever form or media, which the Corporation has for the purposes of the Contract supplied, made available or communicated to the Operator or which may come into the possession of or to the knowledge of or may be accessible by the Operator or any member of the Service Team in the course of carrying out the Services or performance of the Contract, and all advices, recommendations, documents, materials and data given by the Operator to the Corporation under the Contract ("Confidential Information").
- (b) The Operator shall use the Confidential Information solely for the purposes of the Contract. The Operator shall not, at any time whether during the Contract Period or after the expiry or termination (howsoever occasioned) of the Contract, use or allow to be used the Confidential Information for any other purposes without the Corporation's prior written consent.

- (c) The Operator shall not disclose the Confidential Information to any third parties except in confidence to such of the Operator's employees, agents or sub-contractors who need to know the same for the purposes of the Contract. Any disclosure of the Confidential Information by the Operator's employees, agents or sub-contractors shall be deemed to be the default of the Operator.
- (d) The Operator undertakes to take all necessary measures for the protection of the Confidential Information and to prevent any unauthorised disclosure or leakage of the Confidential Information.
- (e) The Operator shall not without the prior written consent of the Corporation Representative publish, either alone or in conjunction with any other person, in any newspaper, magazine, periodical or through any electronic medium, any article, photograph or illustration relating to the Contract.

The Operator shall ensure that each of the members of the Service Team, the Operator's employees, agents, sub-contractors and any other persons involved in the performance of the Contract are aware of and comply with the provisions of this Clause 17 and the Official Secrets Ordinance (Cap. 521).
- (h) The Operator shall take all necessary measures to ensure that each of the members of the Service Team, the Operator's employees, agents, sub-contractors and any other persons involved in the performance of the Contract is aware of and shall comply with the provisions of this Clause 17 by having each of them sign a written undertaking to such effect, the format of which shall be subject to the agreement of the Corporation Representative, before the Operator provides any of the Services. The Operator undertakes, if so requested by the Corporation, to deliver to the Corporation on such date as specified by the Corporation, separate confidentiality agreements duly executed by the Operator and/or each person to whom any Confidential Information is to be disclosed by the Operator in accordance with the Contract. The Operator shall not be regarded to have complied with this Clause 17(h) unless each confidentiality agreement is executed on terms prescribed by the Corporation.

- (i) The Operator further agrees that it will not at any time whether by itself or through any subsidiary or agent use, sell, license, sub-license, create, develop or deal with any Confidential Information otherwise than in accordance with the Contract.
- (j) Without prejudice to the provisions in this Clause 17 and any other provision of the Contract, if the Operator becomes aware of any breach of confidence by any of its employees, agents or sub-contractors, it shall promptly notify the Corporation and give the Corporation all reasonable assistance in connection with any action or proceedings which the Corporation may take or institute against any such persons.
- (k) The Corporation may request the Operator in writing at any time that any Confidential Information disclosed pursuant to the terms of this Clause 17 and any copies, analyses, compilations and extracts thereof whether in hard copies, electronic format or other media be returned, destroyed and/or deleted with a written statement to the effect that upon such return, destruction and/or deletion it has not retained in its possession or under its control, either directly or indirectly, any Confidential Information in whatever form. The Operator shall comply with any such request from the Corporation within seven (7) days of receipt of such request.
- (l) Without prejudice to any other provision of the Contract, the Operator shall indemnify and keep the Corporation and its authorised users fully and effectively indemnified against any and all actions, damages, costs, claims, demands, losses, expenses (including the fees and disbursements of lawyers, agents and expert witnesses) and any awards and costs which may be agreed to be paid in settlement of any proceedings and liabilities of any nature arising from or incurred by reason of:
 - (i) a breach of confidence (whether under the Contract or general law) by the Operator or any of its employees, agents or sub-contractors;
 - (ii) any actions or claims made in respect of information subject to the Personal Data (Privacy) Ordinance (Cap. 486), which action and/or claim would not have arisen but for the act, negligence or omission of the Operator or any of its employees, agents or sub-contractors in connection with the performance of the Contract; and
 - (iii) any act done or omission in the performance of the Contract that contravenes the Unsolicited Electronic Messages Ordinance (Cap. 593).
- (m) The provisions of this Clause 17 shall survive the expiry or termination of the Contract and shall continue in full force and effect notwithstanding such expiry or termination

18. Relationship of the Parties

- (a) Nothing in the Contract shall be construed as in any way constituting a partnership, agency or joint venture between Corporation and the Operator. Unless otherwise expressly provided for in the Contract, the Operator has no authority to act in the name of, or on behalf of, or otherwise bind the Corporation.
- (b) The Operator enters into the Contract with the Corporation as an independent contractor only and shall at all times remain as an independent contractor throughout the Contract Period. The Operator shall not represent itself as an employee, agent or servant of the Corporation.
- (c) The Operator shall declare and make known to all its employees, agents and sub-contractors the provisions of this Clause 18.

19. Assignment and Sub-contracting

- (a) Unless otherwise provided for in the Contract, the Operator shall not, without the prior written consent of the Corporation, assign, transfer, sub-contract or otherwise dispose of any of its interests, rights, benefits or obligations under the Contract. The performance of the Contract by the Operator shall be personal to it.
- (b) The Operator shall submit the proposed sub-contract to the Corporation for approval. The Corporation reserves the right to grant permission for sub-contracting and determine the terms and conditions of the sub-contract. A certified copy of the sub-contract shall be deposited with the Corporation within seven (7) days after the effective date of the sub-contract.

In the event that any provision of the Contract or any part thereof is found by any authority or court of competent jurisdiction to be invalid, illegal, or unenforceable, such invalidity, illegality or unenforceability shall not affect the other provisions of the Contract, all of which shall remain in full force and effect.

22. Non-waiver

- (a) Time is of the essence of the Contract but no failure, delay, forbearance or indulgence by the Corporation in exercising any right, power or remedy available to it under the Contract or at law or in equity shall impair such right, power or remedy or operate as a waiver thereof, nor shall any single or partial exercise of the same preclude any other or further exercise thereof or the exercise of any right, power or remedy. A right or a remedy of each party under the Contract shall be cumulative and not exclusive of any other rights, power or remedies provided by the Contract, at law or in equity. Without limiting the foregoing, no waiver by any party of any breach by the other party of any provision hereof shall be deemed to be a waiver of any subsequent breach of that or any other provision hereof.
- (b) Without prejudice to the generality of Clause 22(a) above, any right of termination of the Contract or any other right, power or remedy of whatsoever nature conferred upon the Corporation under the Contract shall be exercisable by it in addition to and without prejudice to any other rights and remedies available to it under the Contract or at law (and, without prejudice to the generality of the foregoing, shall not extinguish any right to damages to which the Corporation may be entitled in respect of the breach of the Contract) and no exercise or failure to exercise a right of termination shall constitute a

waiver by the Corporation of any other right, power or remedy.

23. Set off

Where the Operator has incurred any liability to the Corporation, whether at law or in equity, and whether such liability is liquidated or unliquidated, the Corporation may set off, whether by way of equitable set off or at common law, the amount of such liquidated liability and a reasonable estimate of the amount of any unliquidated liability against any sum then due or which at any time thereafter may become due from the Corporation to the Operator under the Contract or any other contract made between the Corporation and the Operator.

PART 4 – SERVICE SPECIFICATIONS

1. Background

- 1.1 The Ping Wo Fund was set up in September 2003 to finance preventive and remedial measures to address the gambling-related problems. These measures include:
- (a) research and studies into problems and issues relating to gambling;
 - (b) public education and other measures to prevent or alleviate problems relating to gambling;
and
 - (c) counselling, treatment and other remedial or support services for gamblers with gambling disorder and the individuals affected by them.
- 1.2 At present, the Ping Wo Fund is providing financial support to the operation of four Centres to provide counselling and treatment services to gamblers with gambling disorder and the individuals affected by them. The first two Centres were set up in 2003 to provide services on a geographical basis. Two other Centres were then set up in 2007 with a smaller scale of operation, which initially targeted at certain groups in the community (e.g. elderly, ethnic minorities, etc.) and subsequently served to provide assistance to gamblers with gambling disorder in the general community on a geographical basis. The existing operators of the four Centres are:
- (a) Caritas-Hong Kong, who operates the Caritas Addicted Gamblers Counselling Centre (明愛展晴中心) (“Caritas Centre”) in Tsuen Wan;
 - (b) Tung Wah Group of Hospitals, who operates the Even Centre (東華三院平和坊) (“Even Centre”) in Wan Chai;
 - (c) Zion Social Service, who operates the Yuk Lai Hin Counselling Centre (錫安社會服務處勗勵軒輔導中心) (“Yuk Lai Hin”) in Kwun Tong; and
 - (d) Hong Kong Lutheran Social Service of the Lutheran Church-Hong Kong Synod, who operates the Sunshine Lutheran Centre (香港路德會社會服務處路德會青亮中心) (“Sunshine Lutheran Centre”) in Tai Po.
- 1.3 The service contracts in relation to the Caritas Centre and Even Centre will expire on 31 December 2021. This Invitation to Quotation invites quotations for the provision of counselling and treatment services for gamblers with gambling disorder and the individuals affected by them through setting up and operating a Centre in the catchment areas in (a)
